

Spotlight

Sixpence None The Richer

Big time, bright lights
The world is looking for someone to show them the daylight
But it's not me I am not the one
For simple love look to the Son

Spotlight, get me out of this spotlight
It looked okay but somehow it doesn't feel right
A lifelong dream now reality
I never thought that it could happen to me

Big time, high life
Shattered hopes and disillusioned insight
He can give it to you and He can take it away
Just as sure as the morning is the start of the day

Sometimes in your life
The world is going to put you under the spotlight
It's easy to follow, not hard to pursue
You won't know that it happened to you
