

Within a Room Somewhere

Sixpence None The Richer

I breathe the mist
Floating about the stars
I can caress with velvet hands
I breathe the mist
Floating within without
This pen between my fingers

Messiah
I know you are there
Within without me holding me
Messiah
I know you are there
Catching carrying this beautiful mess

Escape the pain
Within a room somewhere
Escape the pain
So deep inside the soul
I have no key
No map to find
