

## Belly of the Beast

Sixx:A.M.

I stared at the face of evil in the belly of the beast  
I turned my back on Jesus in the belly of the beast  
Sometimes your only choice is no choice at all  
Sometimes the only voice you hear is when the devil calls  
So listen

I'm holding on, I'm holding on  
It don't matter how deep you're digging in the belly of the beast  
It don't matter how far you're falling in the belly of the beast  
Sometimes it's not worth dying in the belly of the beast  
You better pray for your sins to kill you fast  
You better pray how long this life will last  
'Cause what you do, what do when you're living  
Is what you do, what you do when you die

I dove off the cliffs of sadness in the belly of the beast  
I inhaled the fumes of madness in the belly of the beast  
Sometimes your only choice is no choice at all  
Sometimes the only voice you hear is when the devil calls  
So listen

I'm holding on, I'm holding on  
It don't matter how deep you're digging in the belly of the beast  
It don't matter how far you're falling in the belly of the beast  
Sometimes it's not worth dying in the belly of the beast  
You better pray for your sins to kill you fast  
You better pray how long this life will last  
'Cause what you do, what do when you're living  
Is what you do, what you do when you die

It don't matter how deep you're digging in the belly of the beast  
It don't matter how far you're falling in the belly of the beast  
Sometimes it's not worth dying in the belly of the beast  
You better pray for your sins to kill you fast  
You better pray how long this life will last  
'Cause what you do, what do when you're living  
Is what you do, what you do when you die
