## **Babylon Homework**

Me just want to say hail to Haile Selassie His own divine majesty Emperor Haile Selassie I the first Babylon you see, when those youths come about You know it's just redder fire Yeah man we send enough stories to Babylon Prime Minister give us repatriation Remember this

Nothing inna Babylon nah work Watch the inequity have to get up and splurt Not even a wicked man can serve Rome catch a fire cause deh Vatican thirst Nothing inna Babylon caan work Things get lock off and them a dead fi pure thirst Not even a wicked man can serve Yow, desolation to the earth

Well nuh bother tell me bout mi nuh fi vanky Babylon gu hush up your mouth you're too cranky John Pope mi no know, no uncle nor aunty Everything fi Babylon Sizzla deh vanky Well from you rude mamma sey she deh go spanky Brain them a use bout a Christ ride the donkey Who them a fool bout sey black man a monkey Black man, black woman a the first monarchy Babylon dry, them a beg Rasta dampy Weed and a cry words of I them never want it African soil fertile ligh high sensi Yow, well Babylon them listen calamity Yuh city

Nothing inna Babylon nah work Watch the inequity have to get up and splurt Not even a wicked man can serve Rome catch a fire cause deh Vatican thirst Nothing inna Babylon caan work Things get lock off and them a dead fi pure thirst Not even a wicked man can serve Yow, desolation to the earth

So mi go hail Emperor Selassie I him a the first This a one a Babylone home work Protect the ghetto child, nuh badder move too fancy From them a cry then how wi fi like, eh You think a now Babylon them a spite we Hand me the matches make Sizzla go light , eh Black people so much them nuh got no capacity Try get up, go tell PJ a prophecy Babylon a cover Queen Elizabeth nasty, Babylon presumptuous What an audacity I nuh come yeah so fi sing no Babylon story I come fi turn the shame into glory Old Pharaoh, me sey that you nuh know me Remember that a King Solomon grow we

## Sizzla

Watch the inequity have to get up and splurt Not even a wicked man can serve Rome catch a fire cause deh Vatican thirst Nothing inna Babylon caan work Things get lock off and them a dead fi pure thirst Not even a wicked man can serve Yow, desolation to the earth

A judgment inna Babylon, them thirst Yow, a judgment with a... yow ! See it from afar, sey the whole a them crazy When a black people time Them think a no blacka days, eh Nothing ? Well Babylon not could never strike me Emperor Selassie I is the Almighty From you see me chalice Well me nah go pass, eh Babylon, a malice, a just through them greedy Bun weed I come fi weed, eh Yow, ah life black people needy Nuh watch, eh

Nothing inna Babylon nah work Watch the inequity have to get up and splurt Not even a wicked man can serve Rome catch a fire cause deh Vatican thirst Nothing inna Babylon caan work Things get lock off and them a dead fi pure thirst Not even a wicked man can serve Yow, desolation to the earth
