

Blaspheme (sun Is Shining)

Sizzla

I know I know I know
Love is the greatest oh yes
Thats why...

If I blaspheme yuh Jah all yuh lovin I'll deny
Punish me and take back what was handed onto I
Becuz dem other youths
givin up your chance without a try
If you lay your rules and I fail

I wanna be glorious in thy sight
amazing all your deeds great is the might
I wouldn't displease to bring about shame inna mi life
What pleaseth thee I will do to make things right
This soil is hard but it me a fi til
Ah doubt the imposible for your grace and will
are vital deeds it you fulfill,
I won't stop praise you until
Thats why...

If I blaspheme yuh Jah all yuh lovin I'll deny
Punish me and take back what was handed onto I
Becuz dem other youths
givin up your chance without a try
Knowin that you lay your rules and I fail

You wouldn't have made anything if you had hated it
and there is life so I enjoy the good things that exist
I abide by your rules cuz ah me it benifit
Speak highly of Thee and the throne in which you sit
Jah Rastafari is of a different heart
He makes prepare all the roads I walk
Thoes belongs to his company should know from start
Never make Jah Jah rart
Thats Why...

If I blaspheme yuh Jah all yuh lovin I'll deny
Punish me and take back what was handed onto I
Becuz dem other youths
givin up your chance without a try
I Know you lay your rules and I fail

You allow me to yuh flesh in the womb of a woman
You want it so pure ah right to look upon
You give all the strength, alow men to stand
and say I pray tho the Holy one
The only... King of kings and Lord of lords
Conqueroring lion rule both small and large
The only person Sizzla would step to ask
the only one to give me my reward
Thats why...

If I blaspheme yuh Jah all yuh lovin I'll deny
Punish me and take back what was handed onto I
Becuz dem other youths
