Sizzla

Whoa ooh whoa oohh oohh  
Hail Jah, eh ey  
Always hailing him

I've been here all day of my life  
Works good and queer I behold with my sight  
Some will share, others do as they like  
Some, yuh flesh dem waah tear with dem fork and knife  
Some don't care their heart is like ice  
After kill another them rejoice

But I'm holding firm  
Every man deserve to earn  
Jah Jah crown our plan with success  
Holding firm  
Every man deserves to earn  
You won't sink I in the mess

You say I'm rude, it's an attitude yeah  
I done choose, I don't lose, so go on your way  
Money is the order of your day  
Choosing your wealth, that won't stay  
What you come to prove, I done choose and den  
Tell them diss me and a love me include  
Heavy obstacles I a move, cyah eat I food  
Jah alone a earn tha reprove

Holding firm  
Every man deserve to earn  
Jah Jah crown our plans with success  
Holding firm  
Every man has his turn  
You won't sink I in the mess

I see, yuh brother make a call, an yuh turn and get vex  
Ah hear you nah hear, but neglect you a neglect  
Dat too bad, you tell me how you do it  
I've been watching you,  
with your works of deceit  
In your heart do you feel complete  
All de cake, all ah it you go eat

Holding firm  
Every man has his turn  
Jah Jah crown my plans with success  
I'm Holding firm  
Every man deserve to earn  
Jah crown my plans with success  
Holding firm  
Every man deserve to earn  
Jah Jah crown my plans with success  
Holding firm  
Every man has his turn  
You won't sink us in the mess

I've been here all day of me life  
Works good and queer I behold with my sight

Some will share, others do as they like  
Some, yuh flesh dem waah nyam with them fork and knife  
Some don't care, their heart is like ice  
After kill another dem rejoice

But I'm holding firm  
Every man deserve to earn  
Jah Jah crown our plan with success  
Holding firm  
Every man deserve his turn  
You won't sink I in the mess

Yes whoa ooh whoa ooh ooh  
Hail Jah, always hail Him  
whoa ooh whoa ooh ooh, hail Jah ey yea

Pass dem corner and dem dyam face twist  
Know whe bout that so dem dey face a go fit, hey  
Embrace it with a smile and the princess will kiss  
Tell me if a diss me a diss

When I'm holding firm  
Every man deserve to earn  
Jah Jah crown our plan with success  
Holding firm  
Every man deserves his turn  
Don't you sink I in the mess

I've been here all day of my life  
Works good and queer I behold with my sight  
Some will share, others do as they like  
Some, yuh flesh dem waah tear with dem fork and knife  
Some don't care, their heart is like ice  
Waiting to see you fall

Holding firm  
Every man deserve to earn  
Jah Jah crown my plans with success  
I'm Holding firm  
And the tables bout to turn  
Don't you sink a brother in the mess don't you  
Holding firm  
Every man deserve to earn deserve to earn whoa ooh whoa  
Holding firm...
