

Keep In Touch

Sizzla

Oh darling your lovin have me going strong
Ey ey ey ey
Keep in touch with me girl
love you so much you're number one in my world
Keep in touch with me girl
love you more than diamonds and pearl
Keep in touch with me girl
oh love you so much number one
Keep in touch with me girl
Oh aye ah ah...

Ooh girl your my first choice
Listen to my voice
We've got to make this right
Love and hold me tight
I love you and the word is out
Kalongi gonna take his girlie out
Already set the date from early out
These yah flames cyar out

Keep in touch with me girl
love you so much you're number one in my world
Keep in touch with me girl
worth more than diamond and pearl
Keep in touch with me girl
love you so much you're number one in my world
Keep on touchin me girl
keep lovin me girl keep bussin me girl

There by my side in times of trouble
Ey you're my only oh girl I love you
People will say things that's how it goes
The good that we have done for us both only Jah he knows
Whoa oh oh oh

Keep in touch with me girl
love you so much you're number one in my world
Keep on touchin me girl
keep on lovin me girl
Keep on touchin me girl
love you so much you're number one in my world
Keep in touch with me girl keep in touch with me girl

Oh darling, your lovin have me goin so strong,
so strong, so strong

Keep in touch with me girl
love you so much you're number one in my world
Keep in touch with me girl
Keep in touch with me girl

Don't go for no reason, I'll be wanting every season
at times it seems as if she don't even know
that I'm all for her
I'll take you anywhere in this world
Oh yea eh eh eh yeah eh eh eh eh
Whao oh

Keep in touch with me girl
love you so much you're number one in my world
Keep in touch with me girl keep on lovin me girl
Keep in touch with me girl
Love you so much you're number one in my world
Keep on lovin me girl keep on touchin me girl
Yea... Oh my oh my
