

Thanks And Praiqise To The Creator

Sizzla

Whoa oh oh oh oh oh
Yea yea eh eh eh eh eh
Ah ah ah ah ah ah ah
Whoa

Thanks and praise to the creator
Above all things life is greater
Thanks and praise to the creator
And learn to respect Mother Nature
Thanks and praise to the creator
Above all things life is greater
Thanks and praise to the creator
Keep on playing the music operator

Your soul I forever bless, this is it togetherness
Found it interest you that it going on forever yes
What's the marketing look at who they're targeting
I've been out there in the streets performing
We're obsess about the music and them warning
One day one day Babylon they will be falling
We've been enduring for a night but joy come in the morning
I buss the window find my curtains sun shining on
Birds in the garden children playin in the lawn
Love that's what we need stop all the war
Listen to the music as you go you gonna reach far
I know that you're a star

Thanks and praise to the creator
Above all things life is greater
Thanks and praise to the creator
And learn to respect Mother Nature
Thanks and praise to the creator
Above all things life is greater
Thanks and praise to the creator
Keep on playing the music operator

Done so much for you, respect of the ranks
There you go turning yuh back not even saying thanks
Brutish fool no they don't stand a chance
Don't forget where yuh comin from I only tell you once
Ignorance of the earth might cause your anxiety
Not for silver nor gold don't turn on humanity
All things shall fade as long as its vanity
No, I'm not telling you no profanity
Store up your riches in Zion
That way they just can't be rust or gather dust like no iron
Hail up the Conquering Lion, most high Jah
You're the only one we can rely on

Thanks and praise to the creator
Above all things life is greater
Thanks and praise to the creator
And learn to respect Mother Nature
Thanks and praise to the creator
Above all things life is greater
Thanks and praise to the creator
Keep on playing the music operator

Save for a rainy day, it's just another day ah
Prepare for the day like no other day that's what I say

Thanks and praise to the creator
Above all things life is greater
Thanks and praise to the creator
Keep on playing the music operator
Thanks and praise to the creator
Above all things life is greater
Thanks and praise to the creator
Ah ah ahhhhh
