

## I'm In Love With A Girl Named Spike

Skankin' Pickle

There is a girl named Spike from DeGrassi High  
she had a baby when she was real young  
Her best friend is a skinhead chick  
she knows an asian boy named Yick  
and Caitlin she is very chic  
but I'm still in love with a girl named Spike  
I don't write love songs  
in fact they make me very sick  
but Spike the girl from DeGrassi High  
she's truly one cool chick  
She has the best TV show  
better than Beverly Hills 90210  
and Shannon Daugherty well she's ok  
but I'm still in love with a girl named Spike
