

## It's Not Too Late

Skankin' Pickle

You can write a book, song, or poem, or paint a picture  
move away from mom getting used to new fixtures  
It's not too late  
It's not too late  
It's never, never...too late  
Catch a fish, fly a kite, protest nuclear reactors  
Start working daily like an actor  
It's not too late
