

## Special Brew

## Skankin' Pickle

And I love you, yes I do, 'cause I know that you love me too  
And I love you, yes I do, gonna spend all my money on you  
And everyday when I say that I'm not gonna take anymore  
It's okay, don't go away, I'll be back when you're closing the  
door

I need some more to restore all the feelings that I get from yo  
u  
And I want more, give me more, all I want is a barrel of you

And I love you, yes I do, 'cause I know that you love me too  
And I love you, yes I do, gonna spend all my money on you

And I don't care when they stare at the way that I'm always wit  
h you  
We're a pair, it's not fair when they say we're a special crew

And I love you, yes I do, 'cause I know that you love me too  
And I love you, yes I do, gonna spend all my money on you  
And everyday when I say that I'm not gonna take anymore  
It's okay, don't go away, I'll be back when you're closing the  
door

And I love you, yes I do, 'cause I know that you love me too
