

Freddy goes

Skarface

He was out for a party
He was out for the night
Where he can meet a girl
Cause his girlfriend had told him
She shan't go there tonight
He was out for the disco
Where everybody goes
Especially nice girls He was out for a party
The night's gonna be bright!
Freddy goes, Freddy goes...
Freddy goes, Freddy goes...
Freddy goes, Freddy goes...
Freddy goes, Freddy goes... Out tonight!
He arrived at the dance hall
He was dressed very smart
He really looked all right
Pay the price and then go straight
Have a drink at the bar
But that was not a bright night
Cause he spot in the light
This bloody girl had lied
His girlfriend on the dance floor
Kissing another guy!
