

Rebirth

Skarhead

My shining star, above so bright,
soon begins to fade and then be light.
So another day comes and goes reality hits but life's so cold.
Keep on trying, treading in icy waters.
The devils snow accumulates by the hour,
your limbs are cramping, numbness sets in.
The heart turns to ice, I just can't win.

Edges of sanity whisper for me to comeback.

Reality's grip - Rebirth
Crushing my life - Rebirth
Essence. Dreams of faith - Rebirth
Shattered into - Rebirth
Reflections of failure. Teardrops of - Rebirth
Personal Hatred - Rebirth
Shattered my joy. Reaching out - Rebirth
To an infinite future - Rebirth
Living a scarred Past. Satisfactional Peace - Rebirth
Fulfilling my destiny - Rebirth.

Total gratification to achieve limitless serenity.
Happiness and love releasing all the pain in my life
