

Out Of Space

Skazi

I'm gone sending to out of space,
To find another race.
I'm gone sending to out of space,
To find another race.

I'm gone sending to out of space,
To find another race.
I'm gone sending to out of space,
To find another race.

I'm gone sending to out of space,
To find another race.
I'm gone sending to out of space,
To find another race.
