

# World Destruction

Skazi

This is my generation!

World destruction, world destruction  
World destruction, world destruction  
Destruction

Destruction

Destruction

Destruction...

This is the world destruction, your life ain't nothing  
The human race is becoming a disgrace  
Nationalities are fighting with each other  
Why is this? Because the system tells you

World Destruction

World Destruction

World Destruction

World Destruction, your life ain't nothing
