

Al-di-la

Skeeter Davis

La la la la la la la la la

Al-di-la means you are far above me very far

Al-di-la as distant as the lovely evening star

Where you walk flowers bloom when you smile the gloom turn to sunshine

And my heart's opened wide when you're gone it fades inside

And seems to have died

Al-di-la I wonder as I drifted where you were

Al-di-la the fog around me lifted there you were

And the kiss that I gave was the love I have saved for the lifetime

Then I knew all of you was completely mine

And the kiss that I gave was the love I have saved for the lifetime

Then I knew all of you was completely mine

La la la la la la la la la
