

Arms Of Your Love

Skeeter Davis

It didn't take you very long to get to me
You must have seen me sittin' on the shelf
You reached for me and touched me oh so tenderly
Then you took me down and kept me for yourself.

Now I'm all wrapped up in the arms of your love sweet
love
All wrapped up in the arms of your love sweet love
To know the thrill of your embrace is everything that I
ever dreamed heaven was
I'm all wrapped in the arms of your love.

I'm all wrapped (all wrapped up) in the arms of your love
sweet love
All wrapped up (all wrapped up) in the arms of your love
sweet love
To know the thrill of your embrace is everything that I
ever dreamed heaven was
Yes I'm all wrapped (all wrapped up) in the arms of your
love
(Arms of your love...)
