

Crying Time

Skeeter Davis

It's cryin' time again, your gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me, darling
That it won't be long before it's cryin' time,

Now they say that absence
Makes the heart grow fonder
And that tears are only rain to make love grow
But my love for you could never grow no stronger
If I live to be a hundred years old,

Now you say that you've found someone you love better
That's the way it's happened every time before
And as sure as the sun comes up tomorrow
Cryin' time will start when you walk out my door,

Oh, it's cryin' time again, your gonna leave me
I can see that far away look in your eyes
I can tell by the way you hold me, darling
That it won't be long before it's cryin' time.

No, it won't be long before it's cryin' time...
