

# Don't Worry 'bout Me

Skeeter Davis

Don't worry 'bout me it's all over now  
Though I may be blue I'll manage somehow  
Love can't be explained, it can't be controled  
One day it's warm, next day it's cold.

Don't pity me 'cause I'm feeling blue  
Don't be ashamed it might happen to you  
Oh, oh, oh, oh, oh, love, kiss me one time then go love  
I'll understand, don't worry 'bout me.

Sweet, sweet, sweet love I want you to be  
As happy as I when you love me  
I'll never forget you your sweet memory  
It's all over now don't worry bout me.

When one heart tells one heart goodbye  
One heart is free, one heart will cry  
Oh, oh, oh, oh, oh, sweet, sweet baby, sweet baby, sweet  
It's all right don't you worry 'bout me...
