

Don't Worry 'bout Me

Skeeter Davis

Don't worry 'bout me it's all over now
Though I may be blue I'll manage somehow
Love can't be explained, it can't be controled
One day it's warm, next day it's cold.

Don't pity me 'cause I'm feeling blue
Don't be ashamed it might happen to you
Oh, oh, oh, oh, oh, love, kiss me one time then go love
I'll understand, don't worry 'bout me.

Sweet, sweet, sweet love I want you to be
As happy as I when you love me
I'll never forget you your sweet memory
It's all over now don't worry bout me.

When one heart tells one heart goodbye
One heart is free, one heart will cry
Oh, oh, oh, oh, oh, sweet, sweet baby, sweet baby, sweet
It's all right don't you worry 'bout me...
