

# He Called Me Baby

**Skeeter Davis**

He called me baby baby all night long  
Used to hold and kiss me till the dawn  
Then one day I awoke and he was gone  
There's no more baby baby all night long.

He called me baby baby all night long  
Kissed my tears away when things went wrong  
What I'd give if he'd just come back home  
And call me baby baby all night long.

He called me baby baby all night long  
Held me up so high and made me strong  
Now each time in dreams just like a song  
I still hear baby baby all night long...
