He Called Me Baby

Skeeter Davis

He called me baby baby all night long Used to hold and kiss me till the dawn Then one day I awoke and he was gone There's no more baby baby all night long.

He called me baby baby all night long Kissed my tears away when things went wrong What I'd give if he'd just come back home And call me baby baby all night long.

He called me baby baby all night long Held me up so high and made me strong Now each time in dreams just like a song I still hear baby baby all night long...
