## Head Over Heels In Love With You

## **Skeeter Davis**

I think I'll go across the ocean if I don't lose my notion I just got to forget you if I can I'm feelin' so blue I don't know what to do Because I'm head over heels in love with you.

Every day is sad and lonely cause I'm thinkin' of you only I can't bear the thought of losin' you I'm feelin' so blue I don't know what to do Because I'm head over heels in love with you.

My nights are always dreary all I do is sit and worry I just can't bear the thought of losin' you I'm feelin' so blue I don't know what to do Because I'm head over heels in love with you.

I'd like to be forgiven but my life just ain't worth livin' If all I do is worry over you I'm feelin' so blue I don't know what to do Because I'm head over heels in love with you.

I think I'll go across the ocean if I don't lose my notion I just got to forget you if I can I'm feelin' so blue I don't know what to do Because I'm head over heels in love with you.

I'm feelin' so blue I don't know what to do Because I'm head over heels in love with you...
