

Help Me Make It Through The Night

Skeeter Davis

Take the ribbon from my hair shake it loose and let it
fall
Laying soft against your skin like the shadows on the
wall
Come and lay down by my side till the early morning light
All I'm taking is your time help me make it through the
night.

I don't know what's right or wrong though I try to
understand
I got no promise of tomorrow and tonight I need a friend.

Yesterday is dead and gone and tomorrow's out of sight
It's so sad to be alone help me make it through the
night.

Mhmm, mhmm, mhmm, mhmm

I don't want to be alone help me make it through the
night

Please don't let me stay alone help me make it through
the night.
