

Hold Me Tight

Skeeter Davis

I don't want to hear it no more fussin' and a fightin'
Baby hold me tight
Let's let bygones be bygones let's think about tomorrow boy
Our future's bright.

I know I was wrong but I was just a fool too blind to see
You were the only boy for me
Ah but now I see the light and everything's gonna be alright
Baby hold me tight.

I know I was wrong but I was just a fool too blind to see
You were the only boy for me
Ah but now I see the light and everything's gonna be alright
Baby hold me tight.

You know I love you, oh, you know I need you
I don't mean maybe, you will always be my baby.
