

I Can't Believe That It's All Over

Skeeter Davis

I can't believe that it's all over baby
Not after all that we've been through
I can't believe that you no longer love me
I'll be forever loving you.

I still can't believe it when I wake up you're not here
I get dressed but I just sit there and stare
And then I start thinkin' about the things I done wrong
And some things I didn't do that I sure wish I had
You know I'd give anything to have things like they used to be
So darlin' search your heart again
I know there must be some love left for me
Come on back to me and let's try again
'Cause I'll be forever lovin' you.

I can't believe that it's all over baby
Not after all that we've been through
I can't believe that you no longer love me
I'll be forever loving you.

Loving you...
