

I Can't Help It (if I'm Still In Love With You)

Skeeter Davis

Today I passed you on the street and my heart fell at your feet
I can't help it if I'm still in love with you
Somebody else walked by your side and she looked so satisfied
I can't help it if I'm still in love with you.

A picture from the past came slowly stealing
As I brushed your arm and walked so close to you
Suddenly I've got that old time feeling
I can't help it if I'm still in love with you.

It's hard to know another's lips will kiss you
And she'll hold you just the way I used to do
Heaven only knows how much I miss you
I can't help it if I'm still in love with you.

I can't help it no I can't help it
I can't help it if I'm still in love with you...
