

# I Can't Stay Mad At You

Skeeter Davis

I can't stay mad at you

You can make me cry  
You can break my heart  
But I'll never say we're through  
Even when I cry, I can't stay mad at you

You can run around  
You can tell me lies  
But there's nothing I can do  
I'll never say goodbye  
Cause I can't stay mad at you

I got mad at you last night  
When you were holding another girl tight  
But when I thought of all your charms  
I bounced back in to your arms

One thing you'll know for sure  
I won't be the one to fall in love with someone new  
I'll love you til I die  
And I can't stay mad at you

I bounced right back into your arms

One thing you'll know for sure  
I won't be the one to fall in love with someone new  
I'll love you til I die  
And I can't stay mad at you

You got me where you want me
