Stay at home wait for you just won't get it cause I say we're t

So I'm looking for someone to love I'm looking for someone to l

Well you're not here baby I don't care cause I'm lookin' for so
meone to love
Play in the field all day long since I found out I was wrong
And I'm lookin' for someone to love I'm lookin' for someone to
love
Well you're not here baby I don't care cause I'm lookin' for so
meone to love

Caught myself thinkin' of you you can't love me and another one
too
So I'm looking for someone to love I'm looking for someone to l
ove
Well you're not here baby I don't care cause I'm lookin' for so
meone to love
Stay at home wait for you...
I'm lookin' for someone to love I'm lookin' for someone to love
I'm lookin' for someone to love I'm lookin' for someone to love
I'm lookin' for someone to love I'm lookin' for someone to love
Well you're not here baby I don't care cause I'm lookin' for so
meone to love
