Stay at home wait for you just won't get it cause I say we're t

So I'm looking for someone to love I'm looking for someone to l

Well you're not here baby I don't care cause I'm lookin' for so

Play in the field all day long since I found out I was wrong

And I'm lookin' for someone to love I'm lookin' for someone to
love

Well you're not here baby I don't care cause I'm lookin' for so

Caught myself thinkin' of you you can't love me and another one
too

So I'm looking for someone to love I'm looking for someone to l
ove

Well you're not here baby I don't care cause I'm lookin' for so
meone to love

Stay at home wait for you...

I'm lookin' for someone to love I'm lookin' for someone to love

I'm lookin' for someone to love I'm lookin' for someone to love

I'm lookin' for someone to love I'm lookin' for someone to love

Well you're not here baby I don't care cause I'm lookin' for so

meone to love
