

I Still Miss Someone

Skeeter Davis

At my door the leaves are falling
The cold wild wind will come
Sweethearts walk by together
And I still miss someone

For I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there

I go out on a party
To look for a little fun
All I find is a darkened corner
'Cause I still miss someone

For I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there

I wonder if he's sorry
For leaving what we'd begun
There's someone for me somewhere
But I still miss someone

For I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there
