

# I Will

**Skeeter Davis**

I don't want to be the one to say I'm gonna miss you  
But I will I will  
I don't wanna say I'm gonna cry my eyes out baby  
But I will you know I will.

I'm not ashamed for you to know how much I really love you so  
'Cause it was such a thrill  
And just remember when you're gone there'll be that someone  
Sad who loves you still.

You will look at her and see me smiling back at you  
I know you will you will  
You will find yourself repeating things we used to do  
You know you will, you will.

Don't wonder if you want to come back just got running home to  
me  
And let me feel the thrill  
Cause I'm the one who told I would love you dear forever  
And I will, I will.

You will look at her and see me smiling back at you  
I know you will, you will...
