

# In The Summertime

**Skeeter Davis**

In the summertime when all the trees and leaves are green  
And the red bird sings I'll be blue cause you don't want my love  
Some other time that's what you say when I want you  
Then you laugh at me and make me cry 'cause you don't want my love.

You don't seem to care a thing about me, you'd rather live without me  
Than to have my arms around you when the nights are cold and you're so all alone  
In the summertime when all the trees and leaves are green  
And the red bird sings I'll be blue 'cause you don't want my love.

Once upon a time you used to smile and wave to me  
And walked with me but now you don't cause you don't want my love  
Some other girl is taking up all your time  
You don't have time for me 'cause you don't want my love.

You don't seem to care a thing about me, you'd rather live without me  
Than to have my arms around you when the nights are cold and you're so all alone  
In the summertime when all the trees and leaves are green  
And the red bird sings I'll be blue 'cause you don't want my love...
