

It Was Only A Heart

Skeeter Davis

It was only a heart but it was my heart
And the only heart that I had
I gave it to you gave it completely
Never dreamed you would treat it so bad.

Oh, how it needed you
Oh, how it wanted you
But it's stopped stopped never to love again
When our sweet love died.

It was only a dream but it was my dream
And I live every day just for you
But you went away left me so lonely
And my dream never seemed to come true.

Oh, how it needed you
Oh, how it wanted you
But it's stopped stopped never to love again
When our sweet love died.

When our sweet love died...
