

Keep Your Hands Off My Baby

Skeeter Davis

We've been friends for oh so long
I let you share what's mine
But when it comes to the boy I love
It's time to draw the line.

Keep your hands off my baby
I'm gonna tell you but one more time
So keep your hands off my baby
Girl you get it through your head that boy is mine.

I don't mind lendin' you my clothes
My jewelery and such
But honey, let's get something straight
There's one thing you don't touch.

So keep your hands off my baby
Girl you get it through your head that boy is mine.

Keep your hands off my baby
I'm gonna tell you but one more time
So keep your hands off my baby
Girl you get it through your head that boy is mine...
