

Making Believe

Skeeter Davis

Making believe that you still love me
Is leaving me alone and so blue
But I'll always dream though I'll never own you
Making believe is all I can do.

I can't hold you close when you're not with me
You're somebody's love you'll never be mine
Making believe I'll spend my lifetime
Loving you and making believe.

Making believe that I never lost you
But my happy hour I'll find are so few
My plans for the future will never come true
Making believe what else can I do.

I can't hold you close when you're not with me
You're somebody's love you'll never be mine
Making believe I'll spend my lifetime
Loving you and making believe...
