

# My Heart Skips A Beat

Skeeter Davis

Now my heart skips a beat when we walk down the street  
I feel a trembling in my knees  
And just to know you're mine until the end of time  
Makes my heart skip a beat.

Well I did double take the day I met you  
My heart turned a flip as I stood next to you  
And I knew right there I never could forget you  
For you are my every dream come true.

And my heart skips a beat when we walk down the street  
I feel a trembling in my knees  
And just to know you're mine until the end of time  
Makes my heart skip a beat.

You came into my life without a warning  
And you turned my cloudy skies from grey to blue  
You're my sunshine that comes up every morning  
Yes you are my every dream come true.

And my heart skips a beat when we walk down the street  
I feel a trembling in my knees  
And just to know you're mine until the end of time  
Makes my heart skip a beat...
