

Remember (walkin' In The Sand)

Skeeter Davis

Seems like the other day my baby went away he went away cross t
he sea
It's been two years or so since I saw my baby go and then this
letter came for me
It said that we were through he found somebody new
Oh let me think what can I do oh no oh no oh no no no no no
(Remember) walkin' in the sand (remember) walkin' hand in hand
(Remember) the night was so exciting (remember) smile was so in
viting
(Remember) then he touched my cheek (remember) with his fingert
ips
Softly softly we'd meet with our lips

Whatever happened to the boy that I once knew the boy who said
he'd be true
Oh what will happen to the life I gave to you what will I do wi
th it now
(Remember) walkin' in the sand...
