

## Think It Over

Skeeter Davis

Think it over what you just said  
Think it over in your head  
Are you sure that I'm not the one  
Is your love real or only fun

Think it over, think it over  
A lonely heart grows cold and old  
Think it over and let me know  
Think it over but don't be slow

Just remember all birds and bees  
Go by twos through life's mysteries  
Think it over, think it over  
A lonely heart grows cold and old

Think it over and think of me  
Think it over and you will see  
A happy day when you and I  
Think as one and kiss the blues goodbye

Think it over think it over  
A lonely heart grows cold and old  
Think it over, think it over, think it over
