Think of me when you're lonely think of me when you're blue Think of me when you're far away for I'll be thinkin' of you

Remember all the good times we shared in days gone bay Remember all the sadness the days yousaid goodbye Think of me when you're lonely...

You said that you were leavin' but you wouldn't be gone too lon q

With each new day I hope and pray that you'll come travelin' ho me

Think of me when you're lonely...

I watch the mailman comin' I listen for the phone
I meet the train at the station but I spend my nights alone
But now the waitin' is over and time has set the scene
God made me for only you and he meant you for me
Think of me when you're lonely...

I'll be thinkin' of you I'll be thinkin' of you I'll be thinkin' of you
