

We Need A Lot More Of Jesus

Skeeter Davis

You can read it in the morning paper hear it on the radio
Crime is sweepin' our nation this world is about to go
We need a good old case of salvation to put the love of God in
our soul

We need a whole lot more of Jesus and a lot less rock and roll
We need more old time camp meetin's lots more prayers of faith
Faith that will move mountains save our souls from the burning
waves

We need a good old case of salvation to put the love of God in
our soul

We need a whole lot more of Jesus and a lot less rock and roll

We need more old fashioned preachers pourin' out their hearts i
n prayer

When you are in their presence you know that the Lord is there

We need a nation-

wide revival to put the love of God in our soul

We need a whole lot more of Jesus and a lot less rock and roll

We need a whole lot more of Jesus and a lot less rock and roll
