

Agents of Power

Skelator

Across the universe we heard the call
Dreams of deliverance did guide us all
We serve the balance of the Multiverse
We have the power to break the curse
United by Chaos
Divided by Law
We are the four who are the one!

Agents of Power
Champions of steel
Agents of Power
Protecting what's real

We share the blood of ancient warriors
Through paths of darkness we shall emerge
We are decedents of the champion
And to our destinies we are sworn
