

## Elric: The Dragon Prince

Skelator

Oh, the sailor on the Seas of Fate  
The weird of the White Wolf  
He's Elric the Emperor of Meliboné  
His fate, a dreamful curse  
Born a weak albino, he wears his dragon helm  
A servant to Lord Arioach, the highest Duke of Hell  
He's Elric of Meliboné, the fallen empire  
There he waits in darkness on his ruby throne

He is Elric, The Dragon Prince  
The Eternal Champion  
He is Elric, The Dragon Prince  
The Dragonlord of destruction

On the edge of extinction his empire lives on  
But hand of after is reaching, soon it will be undone  
Cymoril has been taken, his one and only love  
By her foul souled brother Lord Yyrkoon

Arioach:

"You alone are fit to serve Arioach.  
I shall did you, Elric. I shall become your patron. I shall protect you and give you strength and the source of strength, through master I be and slave you be."
