

Give Me Metal or Give Me Death

Skelator

The Gods Made Heavy Metal, and it runs through my vein
As I prepare for battle, I sing these Battle Hymns
Now beware the power, of our Heavy Metal Attack
Your Brain will explode, as you suffer Whiplash

(Chorus)

Give Me Metal or Give Me Death
Heavy Metal or Feel My Wrath
Give Me Metal or Give Me Death
Heavy Metal or Feel My Wrath

To the enemies of Metal, the Lord of Hell Awaits
We are the true Defenders, of the Metal Faith
Death and Destruction, to all the opposition
Round them up and shoot them, that's my proposition

(Chorus)

Death to False Metal
It is Sacrilege
Give Me Metal
Or Give Me Death

We're Crusading the world, for Metalization
And to all of False Metal, total decimation
Heavy Metal is life, Heavy Metal is Law
Heavy is pure, it is our call

(Chorus)

Heavy Metal
Give Me Metal or Give Me Death
