

Rubble and Ash

Skelator

Elric:

"Arioch, Arioch! I give you blood and souls, aid me now, og evil one!"

Yrkoon you fiend, die by my sword
You'll be sent to limbo, I'll have your soul
Your blood is gushing, it falls to the floor
Stormbringer is calling, watch it take its toll

DIE, DIE DIE... DIE!!!

Your city is burning, it turns into ash
I am your destroyer, now feel my wrath
I cry for my people, I cry for my race
I cry for Cymoril, I cry from disgrace

DIE, DIE DIE... DIE!!!

We fly into the sky so high
The last of the Dragonlords
We seek his head for our revenge
Elric the Kinslayer
On the horizon I see the dragons
I cast a spell to summon the winds
Leaving my armies to die at their will
I am forsaken their blood
I have spilled

DIE, DIE DIE... DIE!!!
