## **Baptized in Flames**

## Skeletonwitch

Evil one now arise As the witch has prophesized Once cast down now return Spread the seed unholy birth Inverted crosses burn Light the way to the horns Unholy birth Satan spawn Baptized in flames Born demon seed blasphemy Baptized in flames Surfacing the one with wings Razor claw Hooves for feet Pure evil taking form Darkness falls across the earth Men will die Men will burn No mercy the hellfire Baptized in flames From black womb evil is born Taking lives from conception Born of death mother slain Taking hold of evil's reins Evil one now arise As the witch has prophesized Once cast down now return Spread the seed unholy birth Inverted crosses burn Light the way to the horns Unholy birth Satan spawn Baptized in flames Born demon seed blasphemy
