

Feast upon Flesh

Skeletonwitch

Cursed to the darkness
In fear of the light
Having crossed oceans of time
Hunt in the darkness
They feed in the night
Feast upon flesh
Eternal life
Condemned to living death
To hunger from bleeding flesh
Powers over the storm
Over beasts that walk the earth
Ancient evil
Saviors to the few
Insane bloodlust carnage sacrifice
Ancient evil undead immortal
Ancient evil
Saviors to the few
Great unholy lord
Demons heard on high
I shall do thy bidding
Death becomes my life
Insane bloodlust carnage sacrifice
Ancient evil undead immortal
