

Sacrifice for the Slaughtergod

Skeletonwitch

Stabbing hacking
Twisting the knife
Crushing killing
Reaping of life
Covered in remains
Reeking of death
Eyes of demon
Flesh of mortal man
Tearing the flesh
Annihilate the enemy
Bodies sawed in half
Agonizing injury
Dead now ablaze
Burning for the gods to see
Into the flame
Sacrifice humanity
Tantalized and pulverized
Blood pours from your soul
Stabbing hacking
Twisting the knife
Crushing killing
Reaping of life
Covered in entrails
Reeking of death
Eyes of a demon
Flesh of mortal man
Blood for the slaughtergod
Taking skulls that will build it's throne
Massacre with no remorse
Rendering flesh from bone
