

Heartless Remix

Skepta

You know me I'm super kool
But nobody can take me for a fool
Cause when I start loading up my tool it's where you are.

How could you be so heartless?
How could you be so heartless?
How could you be so heartless?

Yo yo I why would you do?
It like you want another biggie and 2 pac sinario
I thought you knew that
Skepta I get heartless like bushkin and mighty mouth
I'm 26 now
I'm partying with some porn star chicks now now
After I give her my kit kat chunky ez for the twix now
See I came from the block like jenny lopez
And now my whole family have got no stress
I love crusing in my 350z
If it's a drive by pass me the moped

You know me I'm super kool
But nobody can take me for a fool
Cause when I start loading up my tool it's where you are.

How could you be so heartless?
How could you be so heartless?
How could you be so heartless?

Boy better know that's my click
I know my team are getting paid and you don't like
I used to show off with pinky notes now I just take my card out and I
swipe it
Ain't got time for no beef with no children your talking to the champ
ion like I was paris hilton
You better know I'm a tottenham simple soldier big up mr wilson
Round here we don't like you
Switch off that mc put on my tune
And if I don't listen to your shit lyrics then how the fuck did I bit
e you?

You know me I'm super kool
But nobody can take me for a fool
Cause when I start loading up my tool it's where you are.

How could you be so heartless?
How could you be so heartless?
Boy better know
How could you be so heartless?
