

# King Of Grime

Skepta

This ain't no subliminal, it's a statement King of grime

Some mellaz don't like me cause I say I'm the king of grime  
But time after time I show man I will never let no man gets the program  
Over and over again I prove that any radioshow any DVD any station man  
Put me up against gymmics sound effects flow man don't think that you go  
Cause you're not ready for the slow man, you don't want drama trust me I can  
get hot like lava. So on point in the war, government, when I find out if I  
have been chattin to osama  
Skepta the K I N G man start panicking when I MC yeh J Ables but his boy bet  
ter know it's not murder INC.

WOW, I'm the king of grime and I will be for a very long time  
Cause I go to the rave get a rewind and the second line never sounded like t  
he first line.

But I don't MC I just think out loud  
But you can call me MC of real time  
Better still call me the king of grime  
Better still call me licence to kill  
Promoters are booking you  
Man for a bill  
I get a g's till I ain't had one due  
I get to the rave  
Within the first five minutes  
I already get one wheel  
Then I get two wheels it's a bicycle  
Then I get three wheels it's a tricycle  
Then I get four wheels it's a car, you can't even get a unicycle  
It's a bar so you better stop spittin  
Forget a freestyle, man it's prewritten  
You listenin to the best spitter in britain

WOW, I'm the king of grime and I will be for a very long time  
Cause I go to the rave get a rewind and the second line never sounded like t  
he first line.

So which one of you lot wanna wanna be in war  
Are you not ready for  
I kill eight men I wanna bury more  
We can do it in a sidewonder  
Eskimo orange  
I am the king you're no evil a prince  
I told him to put a little gum on his tongs to test it  
But he put the whole avil, I think that's why he's been lean ever since  
I think that's why his night shows is at shambles  
Don't wear shorts if you got dry ankles  
Don't take pics if u got dry lips  
I thought that you knew that  
You can't do that.  
Like trynna broadcast it on chips.

I've been killing MC's  
Before I started watching ninja man  
Youtube this  
I'm ready for the war like bloods and crips

WOW, I'm the king of grime and I will be for a very long time  
Cause I go to the rave get a rewind and the second line never sounded like t  
he first line.
